WESTFIELD®

The Improved Search Capability on the New AWP – Search Like a Pro!

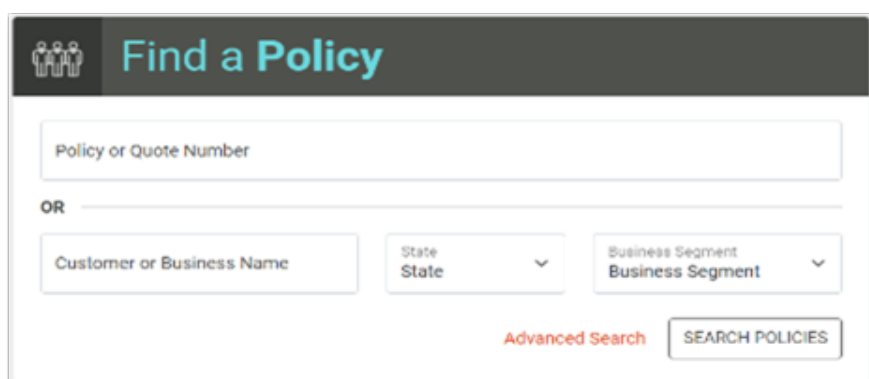

Search ALL Content

Now, using our powerful search functionality, you can search all content on the new AWP, including:

Policies and Quotes

Looking for a specific policy or quote? Simply enter the policy or quote number, billing account number, or customer name or address and the system will display the information you need!

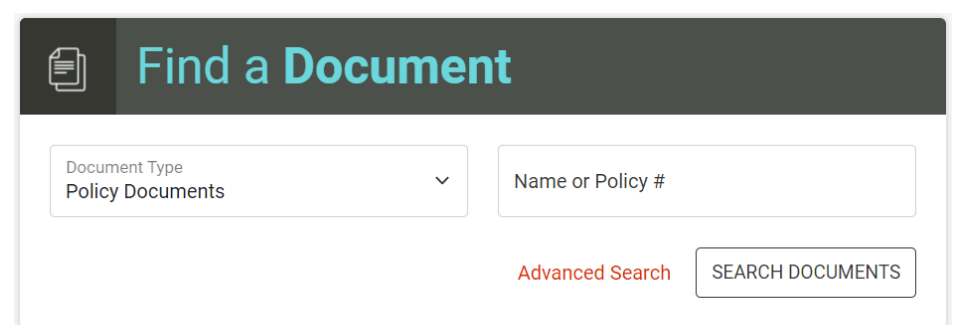

What are peers saying?

"Very straight forward and was able to quickly locate what I needed (quotes and manuals). Quote search is easier to sort through."
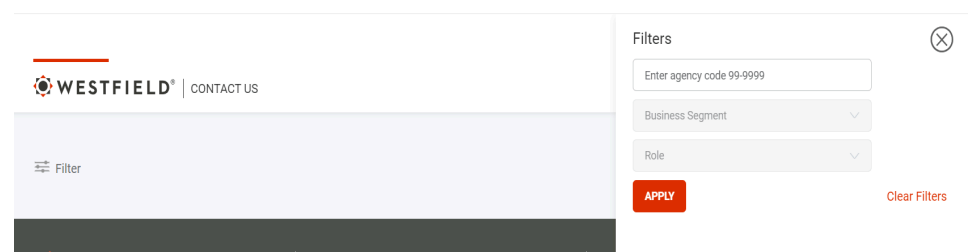

Search for Documents

Save time when you search for electronic documents, too! Find policy documents, claims activity reports, invoices, secure documents, and Surety information – all by the document type. The search feature saves you time and effort, so you can focus more on your priorities.

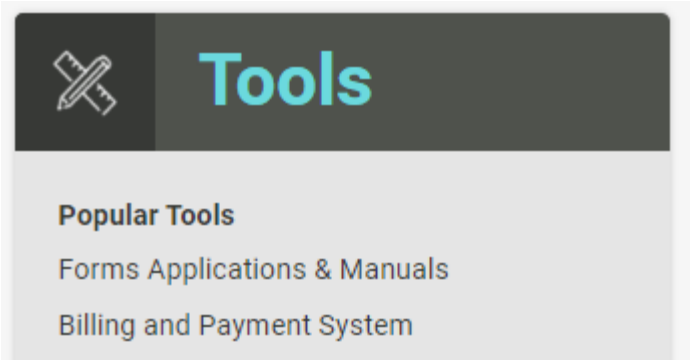

Search for Westfield Contacts

And now, you can find a Westfield contact faster with our Westfield Contacts Tool! Just use your agency code to display individual contact information for your Westfield Team.

Search for Forms, Applications, and Manuals

Find all Forms, Applications and Manuals in our new reference library located in your Popular Tools section.

Simplified design and organization let you quickly gather facts to help serve your customers.
