

WESTFIELD®

Celebrating 20 Years of Giving

Established in 2005, Westfield Insurance Foundation has donated \$40M+ through Volunteer Grants, Legacy of Caring, Disaster Recovery, and more.

DISASTER RECOVERY

Since 2008,

\$4.3M+

has been donated to
disaster recovery in the U.S.

EMPLOYEE VOLUNTEERING

Days to Give Back: Employees are encouraged to spend two workdays each year volunteering: one day for a Westfield select activity and one day for a personal choice activity.

Volunteer Grant Program: Employees may also obtain donations for a qualifying nonprofit after contributing 15+ volunteer hours annually on personal time.

Employee volunteering has led to

\$700,000

in nonprofit donations from Westfield.

LEGACY OF CARING

The Foundation aims to support nonprofits that help families and businesses stabilize or recover from disasters. Legacy of Caring is a flagship program of the Foundation that invites top-performing agents to nominate nonprofits in their communities for grant funding.

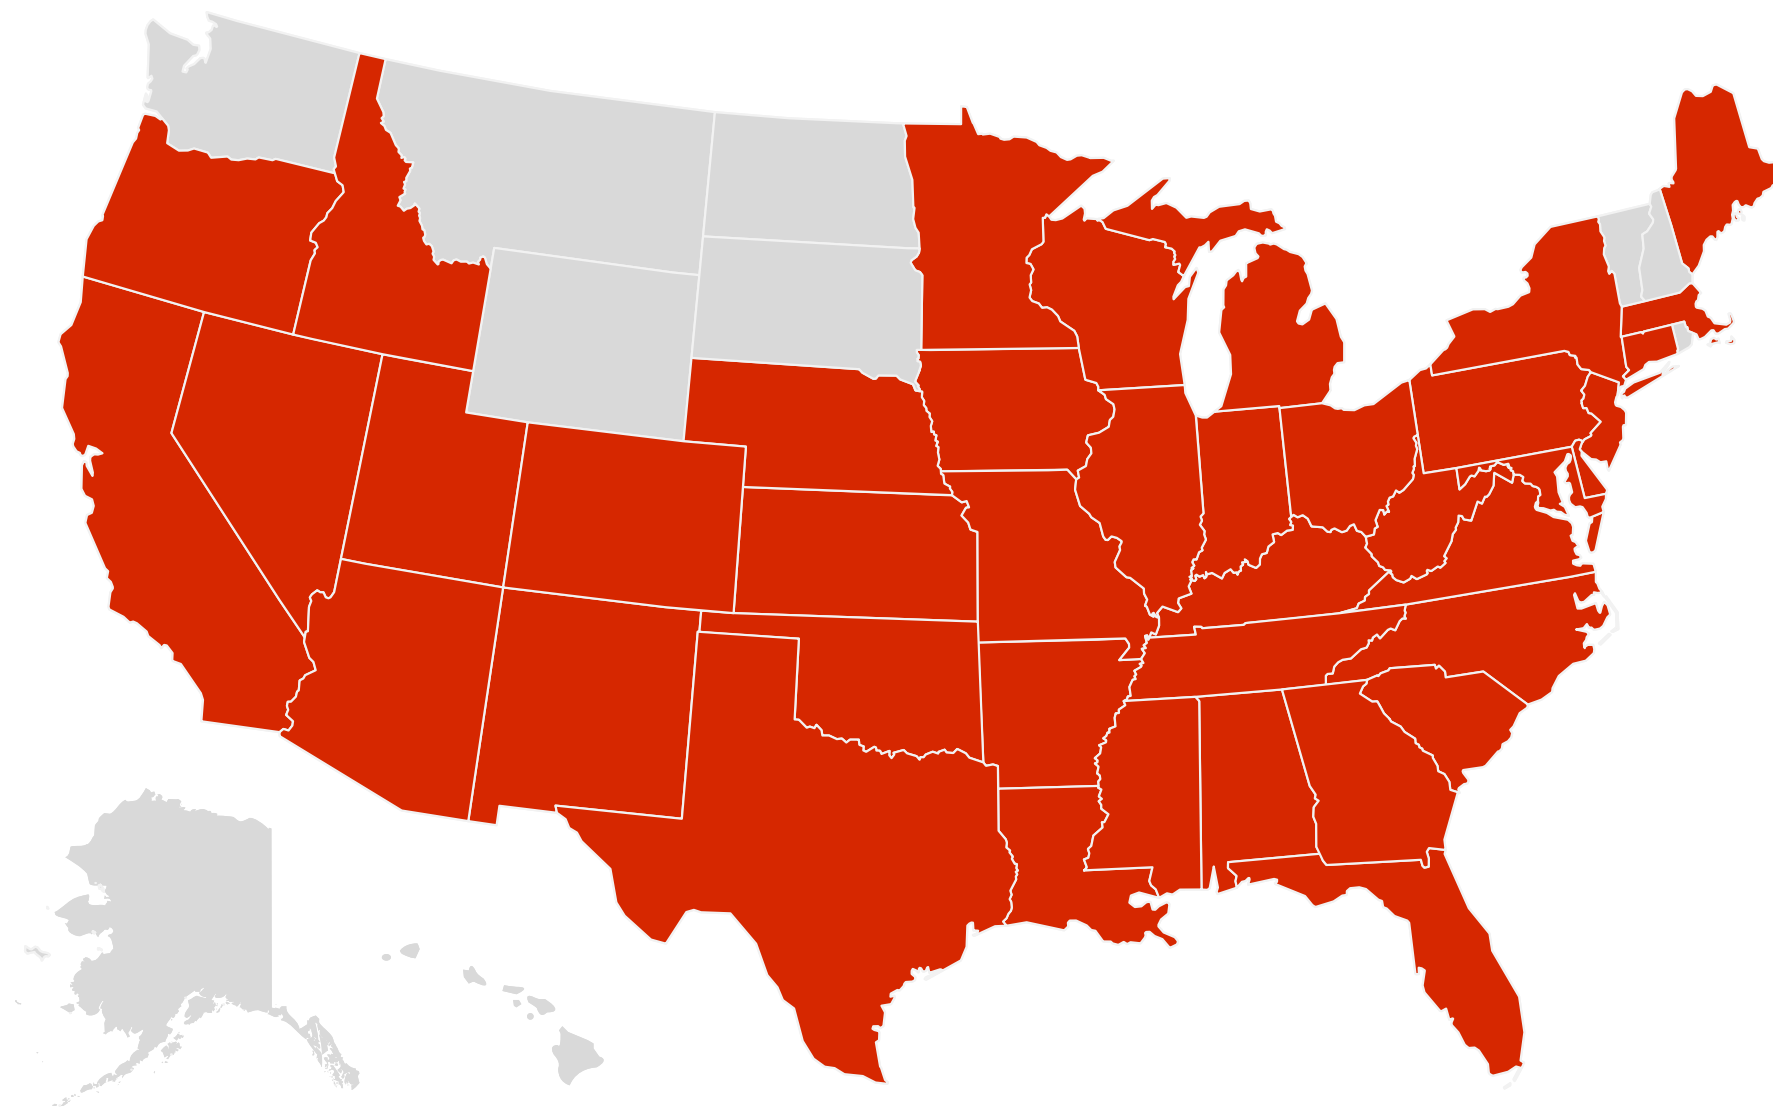

Launched in **2015**,
Legacy of Caring has donated

\$5M+

to **585** nonprofit partners
and **229** agencies.

GEOGRAPHIC GIVING

Westfield Insurance Foundation has supported nonprofits in **40 out of 50** U.S. states through donations.

“

After storm floods forced us to relocate our shelter to a hotel, the unexpected help from Westfield was incredible timing.

Through support of a costly construction project, Westfield is helping us re-create a safe environment designed for domestic violence survivors to heal from trauma and rebuild their lives.
